Help minimize the financial impact that can come with an accidental injury

What is it?

Accident Insurance pays you benefits for specific injuries and events resulting from a covered accident. Accident Insurance is a limited benefit policy. It is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.

Who can be covered?

You have the option to enroll yourself as well as your spouse* and children** in Accident Insurance coverage to meet your needs.

*The use of "spouse" in this document means a person insured as a spouse as described in the certificate of insurance or rider. If you have coverage for yourself, your spouse up to age 70 can be covered.

**The definition of "child" may vary by state. If you have coverage for yourself, your eligible children up to age 26 can be covered.

If both you and your spouse are covered under this policy as an employee; then only one, but not both, may cover the same children for Accident Insurance. Please contact your employer for more information.

Why should I consider it?

-  Benefits will be paid directly to you to use for any purpose, such as paying out-of-pocket medical expenses, copays, deductibles, groceries, gas, utilities and more – it's up to you.
-  Coverage is always guaranteed issue.
-  Your coverage can go with you if you leave your employer or retire, and you'll be billed directly.

Wellness Benefit

Your coverage includes a Wellness Benefit, which will pay you and covered family members an annual benefit if they complete an eligible health screening test. These screenings may include a mental health screening, flu immunization, a mammogram and a routine eye or dental exam.

\$50 for employees, \$50 for spouses, 50% of your benefit amount per child, with an annual maximum of \$100 for all children
