INTRODUCTION

Your Potential Starts Here

At TQL, we're only as good as our people, which is why we take care of our employees through benefits, perks and so much more. Things like a TQL dress code, hitting up the gym for less than what your friends are paying, complimentary coffee to get your day started and celebratory happy hours to help you wrap up your week.

WE ARE A CULTURE WHERE COMPETITION IS IN OUR DNA, SO WORK HARD, PLAY HARD IS NOT JUST A SAYING, IT'S A WAY OF LIFE.

Through our benefits programs we strive to support the needs of our employees and their dependents by providing a benefit package that is easy to understand, easy to access and affordable for all of our employees. This brochure will help you choose the type of plan and level of coverage that is right for you.

ELIGIBILITY

Who is covered?

ELIGIBLE EMPLOYEES:

All regular classified employees are eligible to participate in TQL's healthcare plans.

ELIGIBLE DEPENDENTS:

In general, eligible dependents include your spouse and children up to age 26. If your child is mentally or physically disabled, coverage may continue beyond age 26 once proof of the ongoing disability is provided.

If your spouse is employed on a full-time basis, and is offered medical coverage through their employer, they are not eligible to be on TQL's medical plan.

WHEN COVERAGE BEGINS:

The effective date for your benefits is January 1, 2026. New hire benefit elections will go into effect the first of the month following 30 days. All elections are in effect for the entire plan year and can only be changed during open enrollment, unless you experience a qualifying life event.

QUALIFYING LIFE EVENT:

A qualifying life event is a change in your personal life that may impact your eligibility or dependent's eligibility for benefits. Examples of qualifying life events include:

- Change in legal marital status (i.e. marriage, divorce, death of spouse, legal separation)
- Change in number of dependents (i.e. birth, adoption, death of dependent, ineligibility due to age)
- Change in employment or job status (spouse loses job, etc.)

If such a change occurs, you must make the changes to your benefits within 31 days of the event date. Documentation is required to verify your change of status. Failure to request a change of status within 31 days of the event may result in you having to wait until the next open enrollment period to make your change. Please log into **Workday** to make these changes.

TOBACCO SURCHARGE:

Employees will answer a tobacco questionnaire while completing their online benefits enrollment form. If an employee answers yes to tobacco use and selects a TQL sponsored medical plan, they are subject to a surcharge of \$50 per month, \$25 per payroll deduction. The surcharge starts when their first medical payroll deduction starts and follows the same schedule as medical payroll deductions. New employees have 90 days from the date insurance becomes effective to complete the tobacco cessation program. After the annual Open Enrollment event, all employees have 90 days from January 1st, 2026 to complete the tobacco cessation program. If the program is completed within the 90-day timeframe, tobacco surcharges taken in the current plan year are refunded, and future deductions stop.

Spending Accounts

HEALTH SAVINGS ACCOUNT (HSA)

When you are enrolled in a Qualified High Deductible Health Plan (QHDHP) and meet the eligibility requirements, the IRS allows you to open and contribute to an HSA Account. Paying for health care expenses with your HSA card is convenient, and functions like a checking account, in that it only works if there is money in the account. Contributions to these accounts will be deducted pre-tax and can be used on eligible medical, dental and vision expenses. The funds in the account belong to you and any unused funds rollover year after year. For more information on your HSA go to healthequity.com or call 1.866.346.5800. Visit the HSAstore.com for eligible expenses.

FLEXIBLE SPENDING ACCOUNT (FSA)

Contributions to these accounts will be deducted pre-tax and can be used on eligible medical, dental and vision expenses. All funds in the Healthcare FSA account are available the first day of the plan year. For a list of eligible expenses, visit: irs.gov/publications/p502 or visit the FSAstore.com.

DEPENDENT CARE SPENDING ACCOUNT

Unlike a Healthcare FSA where funds are available immediately, funds for the Dependent Care FSA are only available after they have been deposited into the account. This account allows you to pay for certain IRS-approved dependent daycare expenses with pre-tax dollars. For a list of eligible expenses, please visit: irs.gov/publications/p503. For more information visit naviabenefits.com or call 1.800.669.3539.
