Patient Care Advocates

At AffirmedRx, our Patient Care Advocates (PCAs) are here to make your pharmacy experience simple and stress-free. Think of them as your personal guide—ready to answer questions, help you find lower-cost options, and walk you through your benefits. With a PCA by your side, you can feel confident knowing you're cared for **every step of the way.**

If you need help with:

Medication Assistance

Adherence Support

Prior Authorization Support

Specialty Medication

Benefits Explanations/Questions

Financial Assistance

The AffirmedRx PCAs are a resource to you.

If you need assistance navigating your pharmacy benefits, please reach out to our team via phone or email. Additionally, our team may reach out to you proactively to assist.
