

Designed for Working Adults

- Adult-learning-model allows students to take one course at a time instead of trying to balance 2-4 courses over a 16-week semester.
- By time-managing homework, employees can balance work, home, and school life more effectively.
- Undergraduate courses are 5-weeks, master's courses are 6-weeks, and doctoral courses are 8-weeks long.
- UOPX is a year-round school, so students do not have to wait for Fall or Spring semester—programs start every month throughout the year.
- Gain Career-Relevant skills in weeks—not years.

Total Quality Logistics + UOPX education benefits

Exclusive savings on your education

- For every five courses completed, get one course free.
- Free Prior Learning Assessment (PLA)
- No application fee
- Risk-free period < 24 credits
